

COROLLA TREK

TOYOTA

ALWAYS A
BETTER WAY

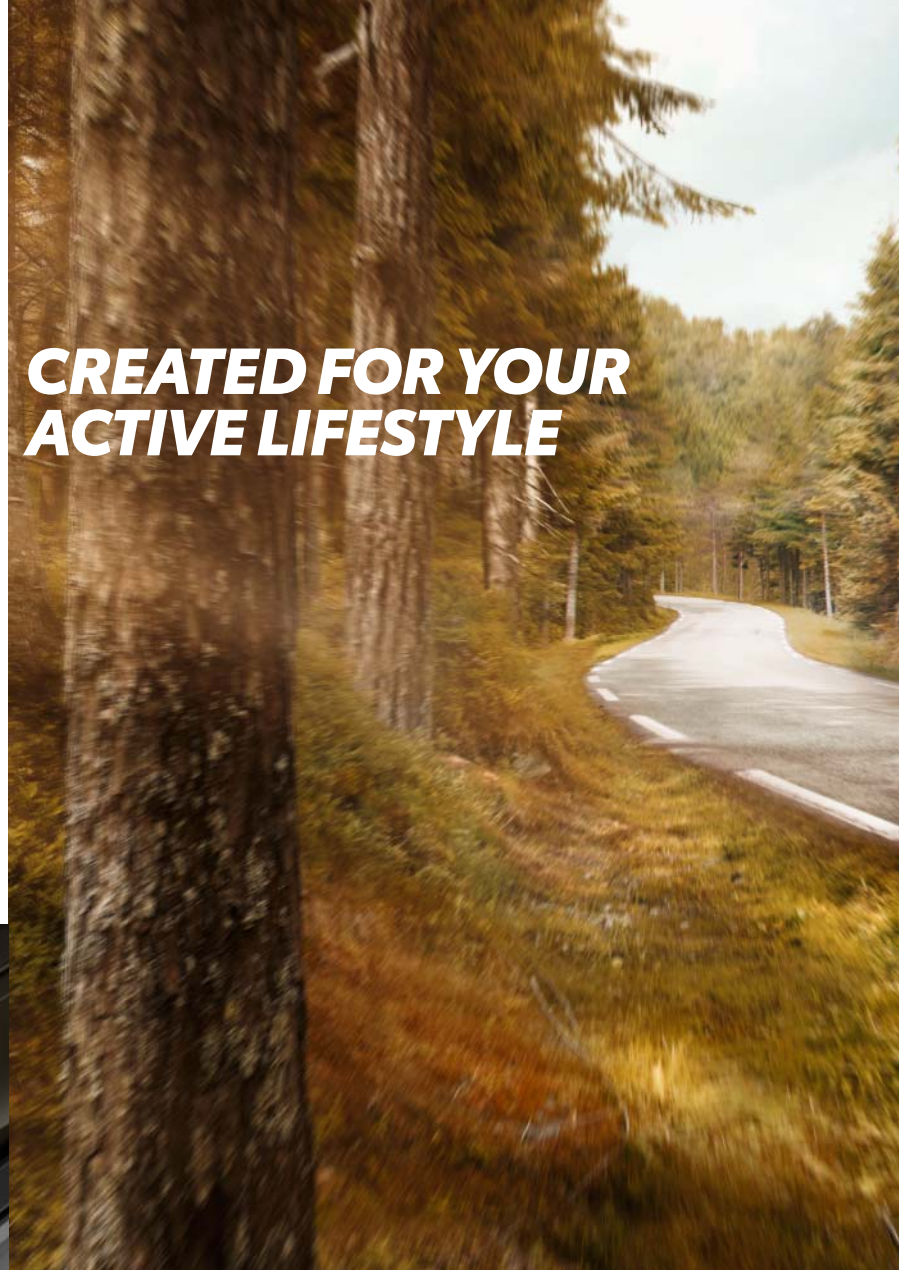

LIVE LIFE TO THE FULL **A COROLLA**

COROLLA TREK IS THE PERFECT TRAVEL COMPANION FOR PEOPLE WITH AN ACTIVE LIFESTYLE. IT COMBINES OUTDOOR-FOCUSED DESIGN WITH HYBRID DYNAMICS, PRACTICAL VERSATILITY AND A SPIRITED DRIVE.

COROLLA TREK IS IDEALLY SUITED TO BOTH URBAN AND MORE ADVENTUROUS DRIVING. SO WHETHER YOU'RE ON THE COMMUTE, THE SCHOOL RUN OR GETTING AWAY FROM IT ALL FOR AN ACTION-PACKED WEEKEND, YOU CAN ENJOY A WORLD OF ADVENTURE.

CREATED FOR YOUR ACTIVE LIFESTYLE

ROBUST AND REFINED

A CAR DESIGNED FOR THE OUTDOOR LIFE

Corolla TREK's adventure-ready features are designed around your dynamic lifestyle. Its refined looks make it perfect for the city, combined with 17" machined alloy wheels, privacy glass and LED headlamps.

Its robust and versatile nature is ideal for more energetic activities, giving you best-in-class legroom and boot space that adapts to fit all your gear.

The 155 mm ground clearance enhances the crossover styling and is ideal for outdoor driving.

1.

2.

SCUFF PLATES

1. Durable scuff plates protect the door sills from even the most enthusiastic members of the family bounding in and out. Stylishly branded with the TREK name.

WOOD-EFFECT INSERTS

2. An elegant wood-effect trim adds a special touch to the interior with a warm, rich colour, introducing a dash of nature.

INTERIOR QUALITY

The two-tone fabric upholstery comes in a harmonious combination of brown and grey, giving the cabin a look inspired by nature.

A RESPONSIVE DRIVE

EXCELLENT PERFORMANCE AND SAFETY

Corolla TREK is built around the Toyota New Global Architecture (TNGA) platform, providing excellent handling and stability.

The Toyota Safety Sense package anticipates potential risks and helps you respond more effectively, for a safer journey and real peace of mind.

ENGINE SPECIFICATIONS

1.8 L PETROL HYBRID E-CVT

Power **122 DIN hp**

Fuel consumption* **5.0 l/100 km**

CO₂ emissions* **113 g/km**

0–100 km/h **11.1 seconds**

* Combined cycle (WLTP).

TOYOTA SAFETY SENSE

1. Automatic High Beam

Detects the lights of oncoming vehicles. It switches automatically between high and low beam.

2. Road Sign Assist

Monitors the road signs ahead, displaying useful information such as the current speed limit on the TFT cockpit display.

3. Pre-Collision System with Night-time Pedestrian Detection

Detects other vehicles and pedestrians in the car's path in low light. If a collision is judged to be imminent, the driver is alerted. If the driver fails to respond in time, the brakes engage automatically.

4. Pre-Collision System with Cyclist Detection

Detects cyclists and vehicles in the road ahead. When the possibility of collision is detected, the driver is alerted. If the driver doesn't react, the brakes engage automatically.

5. Full-range Adaptive Cruise Control

Enables the car to maintain a constant speed without the use of the accelerator pedal. If this distance falls, it reduces speed to preserve the distance between the car and the vehicle ahead.

6. Lane Trace Assist

If the car begins to drift from the centre of the lane unintentionally, steering assist is applied to correct its course.

THE FINAL TOUCHES

CHOOSE YOUR ACCESSORIES

Genuine Toyota accessories are designed with the same care and attention to quality and detail as your Corolla. They will help to give you the opportunity to add your own practical and innovative touch.

Cross bars

These aerodynamic, lockable cross bars click easily onto the roof rails on your Corolla TREK. They can be used with a wide range of other attachments.

Ski and snowboard holder

Easy-to-use ski holder for 3 to 4 pairs of skis (depending on the size of the skis) or 2 snowboards.

Thule motion 800 ski box

A high capacity yet streamlined design especially for winter sports holidays. It can be opened from both sides for easy loading and unloading.

CHOOSE YOUR COLOUR

Boot liner

The boot liner fits perfectly into your Corolla TREK's boot to protect it from dirt, spills or muddy paws. Its anti-slip surface also stops luggage moving.

Rear bumper protection plate

Protect your rear bumper and boot area paintwork from scuffs and scratches when you slide heavy or cumbersome objects into the boot. In stylish metal or sleek black plastic execution.

The accessories above are a small selection from our wide range. Visit the [Toyota website](#) to find the complete overview.

040 Pure White

1F7 Ultra Silver[§]

		Wheelbase (mm)	2700

STEERING

Turning circle – tyre (m)	10.8
---------------------------	------

The fuel consumption and CO₂ values are measured in a controlled environment on a representative production model, in accordance with the requirements of the new WLTP European Regulation EC 2017/1151 and its applicable amendments. For each individual vehicle configuration, the final fuel consumption and CO₂ values may be calculated based on the ordered optional equipment. The fuel consumption and CO₂ values of your vehicle may vary from those measured or calculated values, as driving behaviour as well as other factors (such as road conditions, traffic, vehicle condition, tyre pressure, load, number of passengers, etc.) have an influence on a car's fuel consumption and CO₂ emissions. For more information regarding the new WLTP test method, please visit: <https://www.toyota-europe.com/world-of-toyota/feel/environment/worldwide-harmonized-light>

TOYOTA AND TREK BICYCLE

WORKING TOGETHER FOR A NEW MOBILITY MINDSET

Corolla TREK is the start of a collaboration between Toyota and Trek Bicycle Corporation, bringing together two companies that have similar brand and environmental values to offer complementary mobility solutions.

As part of this partnership, Toyota is providing Corolla TREK vehicles for the Trek-Segafredo World Tour Men's and Women's teams during their European races as official car sponsor of the team.
